

IAL4SS/BS

Silikonanschlusstechnik für den Einsatz
im explosionsgefährdeten Bereich.
Silicon termination kit for usage in hazardous areas

Montageanleitung Assembly instructions

Teil 1: Anschluss; Part 1: Power connection

IAL4SS/BS(w) enthält:
IAL4SS/BS(w) contains:

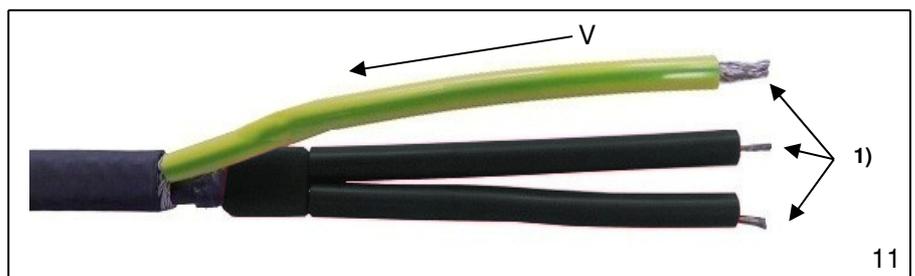

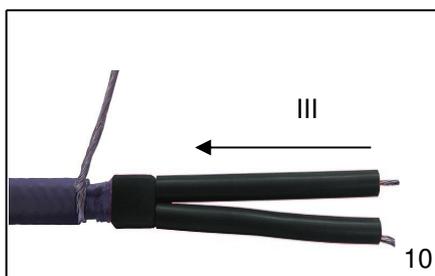

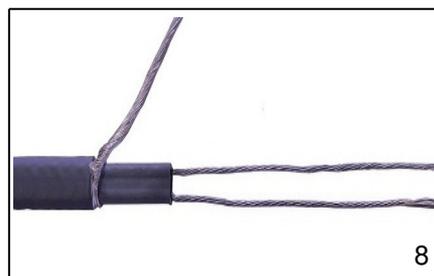

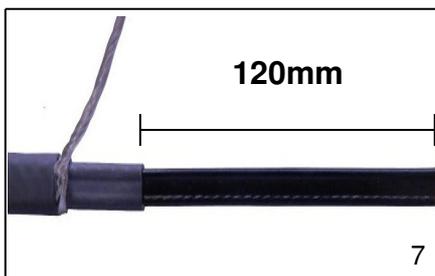

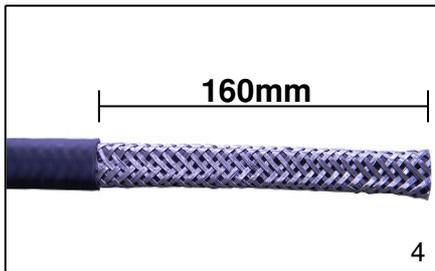

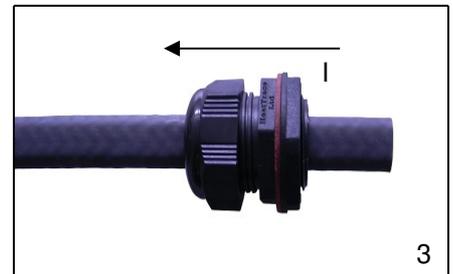

I PGS1 / PGS3 / PGS5

II IAL4SE / IAL4BE

III IAL4SA / IAL4BA

IV Silikon
Silicone

V PE Schutzschlauch
PE hose

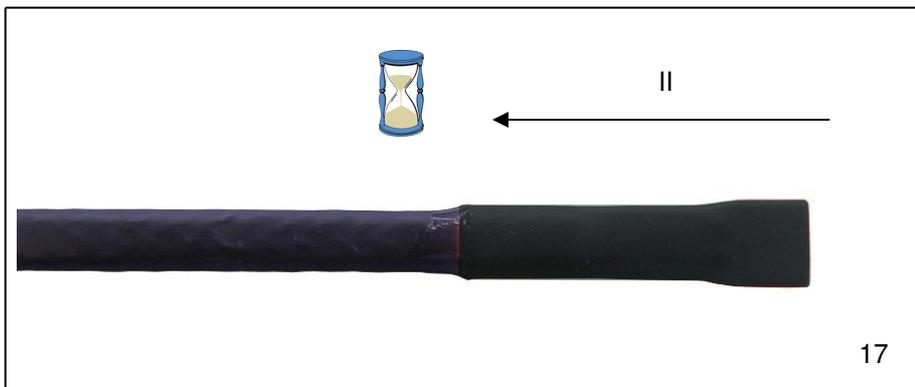

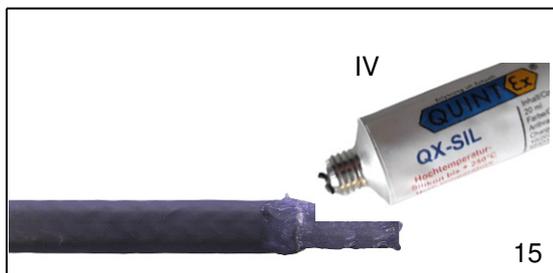

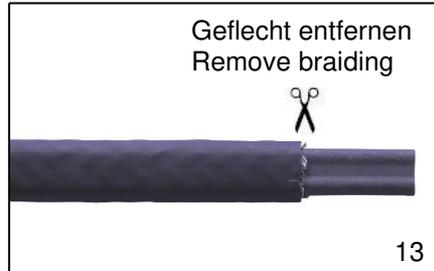

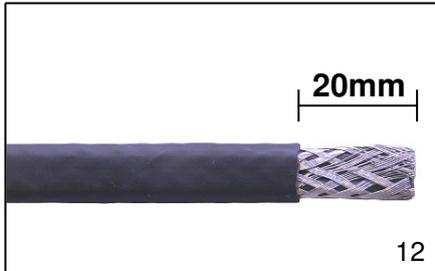

- 1) bei Verwendung von Schraubklemmen sind Adernendhülsen zu verwenden!
Use conductor sleeves, if using screw terminals!
